SECTION VI	- Health H	azard Dat	ta							
Route(s) of Ent	ry	Eyes?			Inhalation?		Skin?		Ingestion?	
	•			Vec		Ves		Vec		Vec

Health Hazards (Acute and Chronic) -

Caution: Ingestion may cause abdominal discomfort, nausea, diarrhea, and vomiting. Avoid breathing vapor or spray mist. Inhalation may cause irritation of the respiratory tract and mucous membranes. Causes eye irritation. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

Carcinogenicity:	NTP?	IARC Monographs?	OSHA Regulated?
None known	No	No	No

Signs and Symptoms of Exposure -

Redness, tearing and burning in eyes.

Medical Conditions Generally Aggravated by Exposure -

Pre-existing skin and renal conditions could be aggravated by overexposures.

Emergency and First Aid Procedures:

Eyes - Hold eye open and rinse slowly and gently with water. Remove contact lenses, if present. Seek medical attention if irritation develops and persists. **Skin -** Wash thoroughly with soap and water. If irritation develops and persists, call a doctor for treatment advice. **Inhalation -** Get to fresh air. If breathing has stopped, qualified personnel should administer artificial respiration. **Ingestion -** Call a physician or poison control center.

SECTION VII - Precautions for Safe Handling and Use

Steps to be Taken in Case Material is Released or Spilled -

Caution, slip hazard. Wipe up small spills with an absorbent material. For large spills, isolate and ventilate area. Eliminate all ignition sources. Wear protective gear as necessary. Dike to prevent spread. Pick up with a vacuum or an absorbent material. Put in a suitable container for proper disposal.

Waste Disposal Method - Consult local, state, and federal regulations. Do not reuse empty container.

Precautions to be Taken in Handling and Storing - Avoid contact with eyes, skin and clothing. Wash thoroughly after handling. Store in a cool (under 120° F) dry location away from heat, sparks and open flame. Do not use around ignition sources such as heat, sparks, flame, etc. Do not smoke while using. Use with adequate ventilation.

Other Precautions - Follow label directions carefully. Keep out of reach of children. Keep container tightly sealed when not in use. Do not contaminate water, food or feed by use or storage. Do not swallow. Avoid inhaling mist and vapors.

SECTION VIII - Control Measures

Respiratory Protection (Specify Type) - Not usually necessary. Use with adequate ventilation. Use NIOSH/MSHA approved respirator if PELs or TLVs are exceeded.

Ventilation	Local Exhaust	Not usually needed	Special	None		
	Mechanical (General)	Yes	Other	None		
Protective Gloves -			Eye Protection -			
Rubber or Neoprene			Wear safety glasses for splash protection.			

Other Protective Clothing or Equipment -

Not usually necessary. Avoid direct contact.

Work/Hygienic Practices -

Normal. Wash hands after use and before eating, drinking, smoking, using restrooms, etc.

These data are offered in good faith as typical values and not as a product specification. No warranty, either expressed or implied, is hereby made. The recommended industrial hygiene and safe handling procedures are believed to be generally applicable. All materials may present unknown health hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.
