

Dear Valued Customer,

We're delighted to be a part of the Pet Food Experts family! To ensure a seamless transition and minimize potential business disruption, 100% of our resources will be dedicated to continuing to provide the excellent service and support you are accustomed to.

To that end, we have made the decision not to have a designated booth at this year's SuperZoo Show in Las Vegas.

The Pet Sustainability Coalition (PSC) has graciously accepted our booth donation in an ongoing effort to spotlight the importance of our industry's impact on the environment.

Vendor Partner Show Deals will be communicated and honored as in previous years. You will also be able to spend quality time with management and the newly expanded team at a special Meet & Greet

Tuesday, August 17 from 3:30 – 5:00 pm

at the PSC booth #3659.

Stop by, have a drink, and say hello!

Thank you for your continued support. We hope to see you in Vegas!

Sincerely,

Maureen Costello
